Water source and yield	30
Discussions and conclusions	31
Challenges	32
Bibliography	33
Annexes	35

Acknowledgements

The authors wish to thank the SWALIM liaison office staff, Osman Abdulle and Abdimalik Jama, in Garowe and the field surveyors from Puntland, Ali Ahmed Omar, Suleiman Jama Farah and Abdullahi Haji Mohamoud, for tirelessly carrying out the field observations in the harsh conditions. The effort put in by the interns, Elsi Okhoba and Linda Nakhulo to automate all the field data is also highly acknowledged. Lastly, the authors wish to acknowledge the considerable support, drive and motivation given by the SWALIM Chief Technical Adviser, CTA, Dr. Zoltan Balint. This document would not have been compiled were it not for the wise leadership of Zoltan.
