

# La Socodka Fatahaada Soomaaliya

Waxaa la soo saaray Novemba 17 -ka 2009

## HEERKA DIGNIINTA FATAHAADDA

|          | Todobaadkii ugu danbeeyay | Todobaadkan | Todobaadka danbe |
|----------|---------------------------|-------------|------------------|
| Shabelle |                           |             |                  |
| Juba     |                           |             |                  |

## Furaha Heerka Digniinta

Suurtagalnimada fatahaad aad u daran  
 Fatahaad caadi ah (taasoo shantii sanaba mar soo noqota)  
 Fatahaada ugu yar/aan jirin

Intii lagu jiray usbuucii ku ekaa 16-ka November, 2009 wax roobab ah lagama soo sheegin biya qabadyada Jubba iyo Shabelle ee Somaliya; Ka fiiri warbixinta xarumaha cayimman ee shaxda hoose.

| Station Name  | Belet Weyne | Marere | Bulo burti | Dobley | Bardera | Afmadow | Jowhar |
|---------------|-------------|--------|------------|--------|---------|---------|--------|
| Rainfall (mm) | 0.0         | 0.0    | 0.0        | 0.0    | 0.0     | 0.0     | 0.0    |

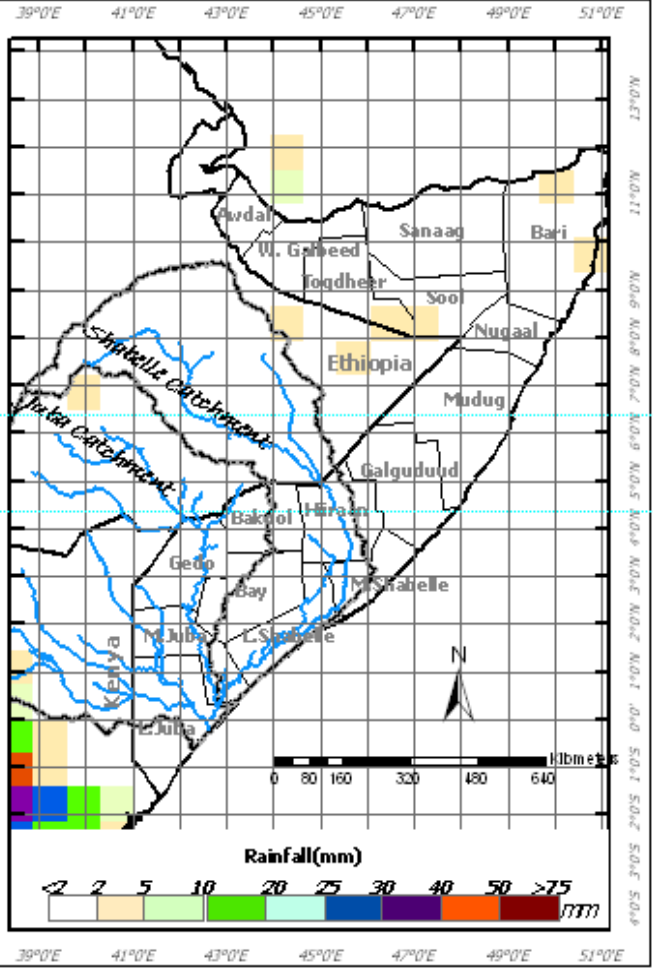

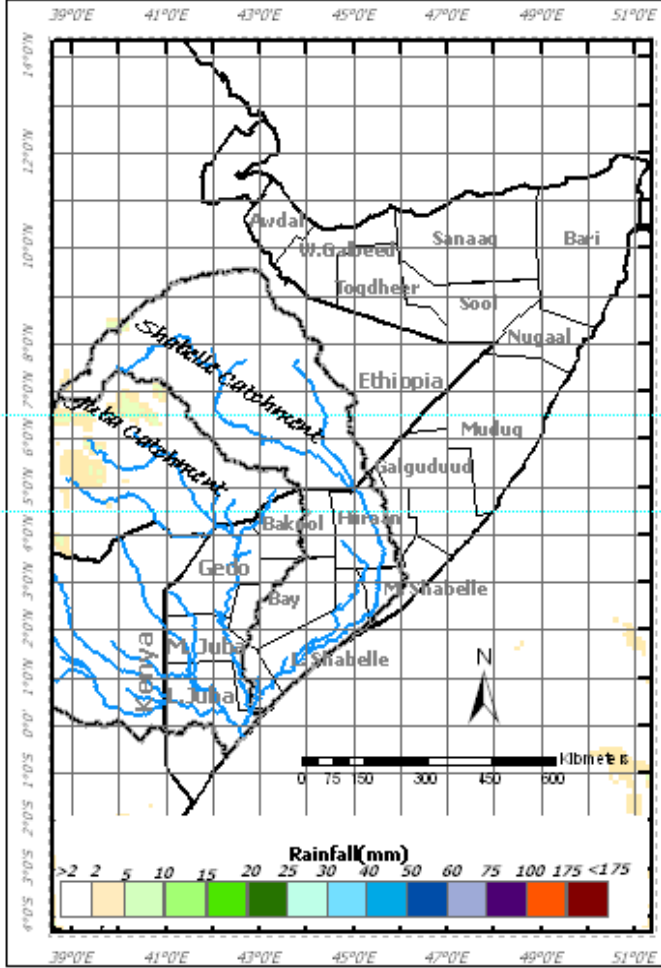

Isla usbuucaas, wax roobab ah meysan ka da'in biya qabadyada sare ee webbiyadda Jubba iyo Shabelle ee Itoobiya sida ku cad qiyaasta dayaxgacmeedka ee ururka roobabka todobo maalmood laha ah (RFE) ee sawirka hoose.

Saadasha roobabka ee usbuuca soo socda (17-23-ka November, 2009) waxay muujineysaa inaysan wax roobab ah ka da'i doonin biya qabadyada Jubba iyo Shabelle ee labadda dal ee Somaliya iyo Itoobiya.

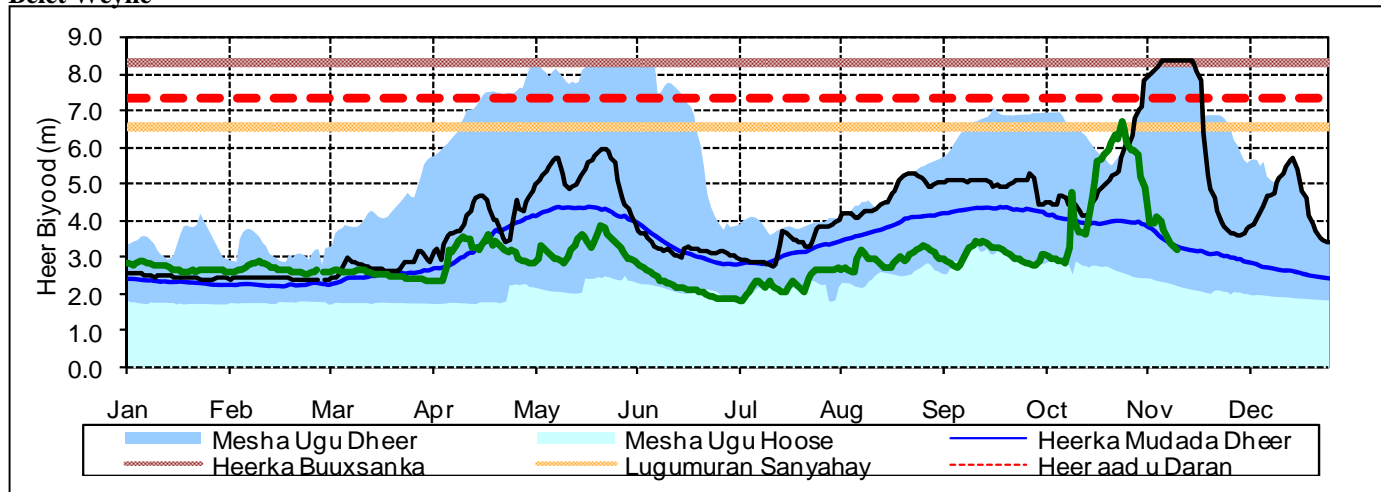

Haddii saadasha roobabka iyo xaladaha isi soo taraya ee hoos udhaca heerarka webbiyada ay isbiirsadan wax khatar fatahaad kama jiri doonto webbiyadda Jubba iyo Shabelle inta lagu jiro xilliga saadasha.

Wadar guud: Dabavaacada Toddobaadka 16/11/09

Saadaasha roob: Dabavaacada toddobaadka 23/11/09
